PROFESSIONAL SUMMARY

Executive operations and CRM automation professional with project management discipline, marketing judgment, interpreter-level communication, and an entrepreneur/business owner mindset. T-shaped specialist who can support founders, CEOs, and busy teams by organizing priorities, documenting decisions, cleaning workflows, building CRM follow-up, and turning scattered work into visible systems.

WHAT I PROMISE

I promise dependable executive support with CRM systems that capture, organize, follow up, and report the work. I bring structure without drama: clean lists, clear next steps, documented decisions, protected follow-up, and practical automation that reduces manual pressure.

SELECTED IMPACT

- Built CRM automation and AI-agent workflows that reached 25,000 contacts in one month, protected follow-up, and supported 8-9 demos/day.
- Improved support capacity 4x by redesigning workflows, handoffs, intake, and automation around practical team capacity.
- Supported 60+ campaigns for 40+ brands with documentation, client-ready materials, reporting, task tracking, and cross-functional coordination.
- Worked in high-stakes interpretation settings for 100+ legal, medical, state agency, and corporate interactions requiring accuracy and confidentiality.

CORE CAPABILITIES

- Executive operations: priorities, task tracking, meeting follow-up, SOPs, documentation, inbox/workflow triage, decision logs.
- CRM systems: GoHighLevel, HubSpot, Salesforce, Constant Contact, pipelines, segmentation, lead status, appointment booking, reminders.
- Automation: Zapier, Pabbly, AI agents, workflow QA, prompt structure, calendar/data handoffs, reporting routines.
- Client and team communication: bilingual/trilingual communication, stakeholder updates, confidentiality, clear summaries, escalation notes.

PROFESSIONAL EXPERIENCE

Digital Delane | CMO (Chief Marketing Officer), Project Manager and Digital Brand Manager/Coordinator

California, United States - Remote | January 2024 - Present

- Joined as Digital Brand Manager/Coordinator, advanced into Project Manager responsibilities, and now serves as CMO, Chief Marketing Officer.
- Organized delivery operations for campaigns, websites, app promotions, reporting cycles, and CRM/automation work across a fast-moving agency environment.
- Built and maintained CRM workflows, AI-agent support paths, follow-up systems, appointment routing, reputation workflows, and integration handoffs.
- Prepared client-ready materials, task boards, status updates, workflow maps, documentation, reporting summaries, and operational follow-through.
- Supported CEOs/founders and client teams by making ambiguous requests operational: owners, sequence, due dates, risks, data, and next actions.
- Combined project management, marketing knowledge, and automation execution to reduce dropped leads, manual work, and unclear accountability.
