PROFESSIONAL SUMMARY

PMP and PMI-ACP certified digital project manager, entrepreneur, and T-shaped specialist with an MBA and 5+ years of experience turning complex digital work into scoped plans, delivery rhythms, clear owners, and measurable outcomes. Brings project governance plus hands-on understanding of marketing, CRM automation, analytics, AI workflows, and client communication.

WHAT I PROMISE

I promise clear scope, calm execution, visible progress, and stakeholder alignment. My work style is organized and accountable: define the goal, map the work, protect the timeline, surface risks early, and keep people moving together.

SELECTED IMPACT

- Led 60+ digital marketing campaigns for 40+ client brands across paid media, SEO, content, social, websites, app promotions, and events.
- Managed \$60K+ in combined ad budgets while tying work to scope, timeline, budget, risk, and measurable campaign outcomes.
- Built CRM automation and AI-agent workflows that reached 25,000 contacts in one month and supported 8-9 demos per day.
- Improved support capacity 4x, from 50 chats per person to 200 chats per person, by redesigning workflows and automation handoffs.

CORE CAPABILITIES

- Project governance: PMBOK, Agile/Scrum, scope control, risk logs, delivery cadence, change control, stakeholder updates.
- Digital delivery: website launches, app promotions, campaign operations, reporting workflows, creative/technical coordination.
- Tools: ClickUp, Nifty, Jira, Asana, Monday, Trello, Confluence, Microsoft Project, Google Workspace, Microsoft Office.
- AI-ready operations: GoHighLevel workflows, AI agents, Zapier, Pabbly, prompt structure, automation QA, process documentation.

PROFESSIONAL EXPERIENCE

Digital Delane | CMO (Chief Marketing Officer), Project Manager and Digital Brand Manager/Coordinator

California, United States - Remote | January 2024 - Present

- Joined as Digital Brand Manager/Coordinator, advanced into Project Manager responsibilities, and now serves as CMO, Chief Marketing Officer.
- Converted ambiguous client needs into scopes, timelines, owners, task boards, documentation, and delivery follow-up across agency projects.
- Coordinated designers, developers, media buyers, content creators, automation builders, and client stakeholders across simultaneous campaigns.
- Managed app promotions, website launches, event campaigns, paid media projects, reporting cycles, and performance-analysis work using ClickUp and Nifty.
- Built project artifacts: work breakdowns, status updates, campaign calendars, risk notes, QA lists, workflow maps, and client-ready summaries.
- Connected execution to business outcomes by balancing deadline pressure, stakeholder expectations, marketing quality, and automation reliability.
